Colorado inspired architecture carefully blended with amenities that are surprisingly standard, makes the Telluride a Rocky Mountain Escape.

As you approach the covered front porch you will feel right at home, walking through the entry where the tile and hardwood floors will catch your eye.

The entry opens into a large living and dining area which makes it a great room for entertaining.

The Gourmet kitchen is stunning with granite slab counter tops and rich maple cabinets.

The kitchen is designed with a corner pantry, spacious island and all stainless steel appliances.

The upper level Master retreat features two walk-in closets along with a Roman soaking tub and skylight. Enjoy the ease of a raised vanity with lavish granite counter tops and square Kohler sinks.

The Telluride offers an oversized 2 car garage with work space/storage and the option for a 3rd car.

This spacious 2 story home features some exceptional details that make it the perfect home for all.
